The Honorable Jesse M. Furman
United States District Court for the
Southern District of New York
500 Pearl Street
New York, NY 10007

Re: *In re Gen. Motors LLC Ignition Switch Litig.*, 14-MD-2543
This Document Relates to All Actions

Dear Judge Furman:

Pursuant to Order No. 154 Section V (Docket No. 5976), New GM writes to update the Court regarding the status of plaintiffs that were subject to New GM's January 31, 2018 Motion to Dismiss 319 Claims Under Federal Rule of Civil Procedure 12(b)(6) (Docket Nos. 4996, 4997).

New GM's Motion currently is moot as to 252 plaintiffs, including:

- (i) 41 who filed amended complaints;
- (ii) 192 whose claims were dismissed (either voluntarily or by Court order);
- (iii) 3 for whom New GM agreed to withdraw the motion; and
- (iv) 16 whose claims have settled.

Four charts identifying Plaintiffs and their case numbers for each of the above categories are included within the attached **Exhibit A**.

The motion is likely to become moot as to the remaining 67 of the original 319 as their counsel have moved to withdraw and they are, or shortly will be, subject to procedures consistent with Order No. 137 (Docket No. 4840). A list of these 68 is attached as **Exhibit B**. To the extent these plaintiffs comply with the Order No. 137 procedures and pursue their claims, New GM reserves the right to move to dismiss their claims at that time.

Counsel for Defendant General Motors LLC

cc: MDL Counsel of Record

The Clerk of Court is directed to terminate 14-MD-2543, Docket No. 4996 and all open associated motions in member cases --- a list of which is attached to this endorsed letter. Such termination is without prejudice to New GM renewing the motions with respect to the 67 Plaintiffs listed in Exhibit B, if appropriate, after the Order No. 137 procedures have run their course.

SO ORDERED.

A handwritten signature in black ink, appearing to read "Jesse M. Furman", is written over the "SO ORDERED." text.
